## *The Work of Ten Commandments-Georgia, Inc.*

### **Overview:**

*Ten Commandments-Georgia, Inc. is a non-profit, grassroots organization committed to the task of locating, educating, and motivating citizens to acknowledge God through knowing, obeying, and displaying the Ten Commandments thereby, **restoring a common moral code** based upon God's laws and the founding philosophy of our country.*

### **Our Mission:**

- **Locate:** Obtain 1.2 million signatures on a petition declaring public support for the posting of the Ten Commandments in our society.
- **Educate:** Distribute a copy of the Ten Commandments to every home in the state, informing citizens of our country's Biblical heritage and informing them of their First Amendment rights.
- **Motivate:** Establish Ten Commandments-Georgia chapters in all 159 counties of the state and encourage citizens to be active in moral issues.

### **Our Purpose:**

Our hope is to see a renewed interest in:

- **Knowing** what the Ten Commandments are.
- **Obeying** the Ten Commandments in every day life.
- **Displaying** the Ten Commandments in our homes, churches, businesses and public buildings.

### **Our Goal:**

*Our all encompassing goal is to see in our day a restoration of a common moral code based upon God's laws, The Ten Commandments. A restoration that will make our **families** happier, our **neighborhoods** safer, and our **government** more just.*
