

## **“More Displays Set To Go Up”**

**Feb. 3, 2009**

We are excited to announce that more sets of the “Foundations of American Law & Government Displays” continue to be purchased in our state. We have 10 counties that have posted these important documents in public government buildings so far! Three more counties have received the documents and are preparing to hang them later this year.

On July 1, 2006, Gov. Sonny Perdue signed into law H.B. 941 [http://www.legis.state.ga.us/legis/2005\\_06/fulltext/hb941.htm](http://www.legis.state.ga.us/legis/2005_06/fulltext/hb941.htm) authorizing local governments to erect historical displays that include a copy of the Ten Commandments. These displays pave the way for communities to further educate their citizens regarding historical facts about our country’s founding.

Ten Commandments-Georgia congratulates these counties that have taken a bold step in acknowledging this new law. It is TC-Ga’s goal to see at least one set of these documents in EVERY county of our state!

These historical documents are being made available through the ministry of Ten Commandments-GA, Inc. We serve as a resource for private citizens, churches, civic clubs and organizations to purchase these documents and to present them for approval to their local governing boards, commissions and councils.

TC-GA has beautifully designed to legal specifications the nine piece historical display. You may view these unique designs by logging on to [www.thoushalt.org](http://www.thoushalt.org).

The following documents may now be legally posted in local government buildings:

1. The Ten Commandments
2. The Mayflower Compact, 1620
3. The Declaration of Independence
4. Magna Carta
5. ‘The Star-Spangled Banner’ by Francis Scott Key
6. The National Motto: “In God We Trust”
7. The Preamble to the Georgia Constitution
8. The Bill of Rights of the United States Constitution
9. The description on the image of Lady Justice

They may be purchased by contacting TC-GA on the web, calling 706-856-2524, or by mail at TC-GA, P.O. Box 941, Hartwell, GA 30643.
